Notes:

1. Pursuant to Part 13 of the Companies Act 2006 and to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only those members registered in the register of members of the Company at 6.00pm on 23 June 2020 (or if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. All members registered in the register of members of the Company at the start of the AGM (or, if the AGM is adjourned, at the start of any adjourned AGM) who hold ordinary shares are entitled to attend, speak and vote at the AGM.
2. Under the legislation introduced by the UK Government in response to the COVID-19 pandemic, all non-essential travel and public gatherings of more than two people are currently not permitted. Accordingly:
 - 2.1.1. Shareholders will not be permitted to attend this year's AGM and anyone who attends at the premises above will not be granted admission.
 - 2.1.2. The board will not present any trading update or make any other presentation at the AGM.
3. All shareholders are encouraged to vote proxy in accordance with the instructions set out below. (Please note that you should not nominate anyone other than the chairman of the meeting as your proxy, as they will not be able to attend the meeting in your place.)
4. In the event that these arrangements change, the Company will announce them through a Regulatory News Service.
5. A member who is entitled to attend, speak and vote at the AGM may appoint a proxy to attend, speak and vote instead of him/her. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). A proxy need not be a member of the Company but must attend the AGM in order to represent you. A proxy must vote in accordance with any instructions given by the member by whom the proxy is appointed. Appointing a proxy will not prevent a member from attending in person and voting at the AGM (although voting in person at the AGM will terminate the proxy appointment). A proxy form is enclosed. The notes to the proxy form include instructions on how to appoint the Chairman of the AGM or another person as a proxy. You can only appoint a proxy using the procedures set out in these Notes and in the notes to the proxy form.
6. As noted above, you are requested to submit a proxy vote to be valid, a proxy form, and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated, should reach the Company's registrars, Neville Registrars Limited of Neville House, Steelpark Road, Halesowen B62 8HD, not later than 48 hours before the appointed time of the meeting.
7. The notes to the proxy form include instructions on how to appoint a proxy by using the CREST proxy appointment service.

You may not use any electronic address provided either in this Notice of AGM or in any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

8. In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.
9. A member that is a company or other organisation not having a physical presence cannot attend in person but can appoint someone to represent it. This can be done in one of two ways: Either by the appointment of a proxy (described in Note 3 above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's articles of association and the relevant provision of the Companies Act 2006.
10. The following documents are available for inspection by way of electronic communication if requested during the Company's usual business hours on any weekday (Saturday, Sunday or public holidays excluded) from the date of this notice until the conclusion of the AGM:
 - (a) Copies of the executive directors' service contracts with the Company and any of its subsidiary undertakings and letters of appointment of the non-executive directors;
 - (b) this notice of meeting; and
 - (c) the annual report and financial statements of the Company for the year ended 31 December 2019.

Explanatory Notes

Resolution 1- Receiving the annual report and financial statements

All companies are required by law to lay their annual accounts and reports before a general meeting of the Company, together with the directors' reports and auditors' report on the financial statements. At the AGM, the directors will present these documents to the shareholders for the financial year ended 31 December 2019.

Resolution 2- Re-election of director

This resolution concerns the re-election of Michael A Kayser as a non-executive director of the Company who is retiring at the AGM by rotation in accordance with article 114 of the Company's articles of association.

A biography of Mr M A Kayser is set out within the directors' report of the annual report and financial statements for the year ended 31 December 2019.

Resolution 3- Re-appointment of auditors

This resolution concerns the re-appointment of Grant Thornton UK LLP as auditors until the conclusion of the next general meeting at which accounts are laid, that is the next annual general meeting.

Resolution 4- Auditors remuneration

This resolution authorises the directors to fix the auditor's remuneration.

Resolution 5- Directors' power to allot shares

This resolution grants the directors authority to allot shares in the capital of the Company and other relevant securities up to an aggregate nominal value of £46,642.08 representing approximately one third of the nominal value of the issued ordinary share capital of the Company as at 29 May 2020, being the latest practicable date prior to publication of this notice, renewing and replacing the authority granted last year. Any allotment for cash would be subject to pre-emption rights, subject to Resolution 6.

There are no treasury shares in issue in the Company as at the date of this notice.

The directors do not have any present intention of exercising the authorities conferred by this resolution but they consider it desirable that the specified amount of authorised but unissued share capital is available for issue so that they can more readily take advantage of possible opportunities.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company or the date falling 18 months from the passing of the resolution, whichever is the earlier.

Resolution 6- Directors' power to issue shares for cash

This resolution authorises the directors in certain circumstances to allot equity securities for cash other than in accordance with the statutory pre-emption rights

(which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings), renewing and replacing the authority granted at last year's AGM. The relevant circumstances are either where the allotment takes place in connection with a rights issue or the allotment is limited to a maximum nominal amount of £13,992.63 representing approximately ten per cent of the nominal value of the issued ordinary share capital of the Company as at 29 May 2020 being the latest practicable date before publication of this notice.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company or 18 months after the passing of the resolution, whichever is the earlier.

Treasury shares

The Company may hold any shares it buys back "in treasury" and then sell them at a later date for cash rather than simply cancelling them. Any such sales are required to be made on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the directors power to allot unissued ordinary shares on a non pre-emptive basis, resolution 6 will also give directors power to sell ordinary shares held in treasury on a non- pre-emptive basis, subject always to the limitations noted above. The directors consider that the power proposed to be granted by resolution 6 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power.

Resolution 7- Authority to purchase shares (market purchases)

This resolution authorises the board to make market purchases of up to approximately ten per cent of the Company's issued ordinary shares as at 29 May 2020, being the latest practicable date prior to publication of this notice. Shares so purchased may be cancelled or held as treasury shares.

The authority will expire at the end of the next annual general meeting of the Company or 18 months from the passing of the resolution, whichever is the earlier. The directors intend to seek renewal of this authority at any subsequent AGM.

The directors intend to exercise this right only when, in light of the market conditions prevailing at the time and taking into account all relevant factors (for example, the effect on earnings per share), they believe that such purchases are in the best interests of the Company and shareholders generally. The overall position of the Company will be taken into account before deciding upon this course of action. The decision as to whether any such shares bought back will be cancelled or held in treasury will be made by the directors on the same basis at the time of purchase.
